

ezi-credit Terms & Conditions

- gotalk ezi-credit allows you to get access to \$2 extra credit when you haven't had an opportunity to recharge.
- To request gotalk ezi-credit, text 0408 GOTALK-ezi.
- gotalk charges a 20c service fee for providing this service so \$2.20 will be automatically deducted from the amount by which you recharge next time you top up to cover the credit given and the service charge.
- gotalk will not provide you with any more than one ezi-credit before your next recharge.
- Once you have received a gotalk ezi-credit, both your existing credit at the date the ezi-credit is added and the \$2 ezi-credit you have been given will expire in 3 days unless extended in accordance with this clause. In the case of all plans except the Big Talk Plan, if you recharge within that 3 day period, any remaining credit you have at the time of the recharge will roll over and be included with your new recharge balance. Please note that our Big Talk plan for users with a high call volume but who do not need a lengthy credit period. Accordingly, regardless of when you recharge your Big Talk account, all then current credit on your Big Talk plan automatically expires and is replaced by the new credit amount by which you have recharged.
- You must have recharged as least once to be eligible to use ezi-credit. If you have activated a \$2 starter kit, to be eligible to use ezi-credit, you must have recharged your SIM card twice before you request credit.
- You may use ezi-credit on any gotalk prepaid mobile plan.
- You must have less than \$2 credit on your balance at the time of your request for ezi-credit.
